RoSPA – exercising a powerful influence for accident prevention

Publications on children's play from RoSPA

Risk Assessment of Children's Playgrounds

An essential guide to assessing risk on outdoor playgrounds to meet the requirements of the Management of Health and Safety at Work Regulations 1999

Routine Inspection of Children's Playgrounds

A recent publication (© November 2004) designed to assist in the regular inspection of playgrounds including what to look for and the documentation of inspections and site maintenance

Maintaining Facilities in Commercial Premises

Guidance, checklists and forms for maintaining indoor and outdoor playgrounds, inflatables and coin-operated rides

The Children's Playground

A guide to providing and managing a new playground for children or re-furbishing an old one. First published 2005

Safety Recommendations for Recreational Facilities for Young People

An informative guide to providing sports and recreational facilities for older children on the playground

Growing Places for Play

A basic guide to planting and use of living structures on playgrounds

BMX Tracks Safety and Planning Guide

The definitive guide for building and maintaining BMX tracks, written in conjunction with British Cycling (The Governing body for BMX).

Parks and Open Spaces

A definitive guide to safety and inspection regimes, for Parks and Open Spaces. A must for all involved with safety in parks and open spaces.

Coming Soon...

Guide to the European Playground Standards, 5th Edition

An introduction to BS EN 1176 and BS EN 1177 containing an abbreviated version of the new standard where it may be checked on site

Routine Inspection & Maintenance Training DVD

A basic guide on how to undertake routine daily/weekly inspections on your own play areas.
