

# Abrasive Wheel Setters

## ► Course objectives

To develop delegates' understanding of abrasive wheel safety when setting and using abrasive wheels.

On completion of this course, delegates should be able to:

- Explain aspects required by the schedule of training (a specific legal requirement for anybody who mounts abrasive wheels)
- Set abrasive wheels safely
- Introduce the legal requirements behind abrasive wheel safety

## ► Who should attend?

The course is intended for employees who are required to mount abrasive wheels, or who need to be familiar with the Regulations.

It is desirable that delegates have experience in the use of abrasive wheels, but this is not essential.

To find out more about this course or request a full course programme:

**Call:** 0121 248 2233

**Email:** [training@rospa.com](mailto:training@rospa.com)

## Course Content

- History of Abrasive Wheels Regulations
- Legal requirements relating to abrasive wheels
- Hazards arising from the use of abrasive wheels
- Methods of marking, storing, handling and transportation
- Practical demonstrations

## Duration

1 day

## Qualification

All delegates successfully completing the course in full will be awarded a **RoSPA Certificate of Training**.
