

Scottish Parliament CPG Accident Prevention 30th September 2014

Michael Avril
RNLI Community Incident Reduction Manager
Scotland & North England

Royal National Lifeboat Institution

Our Vision 'To end preventable loss of life at sea'

47 Stations in Scotland

Charity providing Lifeboats, Lifeguards, Flood Rescue and Prevention

We rely on volunteers to provide our services

We are independent of government & Coastguard

92% of our total income is from donations

Annual Running costs of £150 Million

Royal National Lifeboat Institution

Our Vision ?

‘To end preventable loss of life at sea’

2013 Scottish Statistics

996	Shouts/Incidents
1007	People Rescued
29	Lives saved..
39	Lives Lost (WAID)....

What are we doing about it?

The RNLI has set itself a target of cutting fatalities by 50% by 2024!

How are we going to achieve
this?

Faster boats ?

Quicker call out ?

Better training ?

Prevention !....

**Information is key to our
success!**
