

Driving and Taxi directions:

- Proceed along **Brent Road**, Southall until you reach the rail bridge.
- You will be greeted by our security team who will sign you into site.
- Pass underneath the rail bridge and turn right at the mini-roundabout.
- Continue along the road, following directional signage for the Project Office & Berkeley Academy.
- Please respect the speed limit and be aware of other vehicles.

Parking

- Please ensure you park in the Berkeley Academy carpark.

Note – If using Sat Nav use 'Brent Rd, Southall' as your destination.

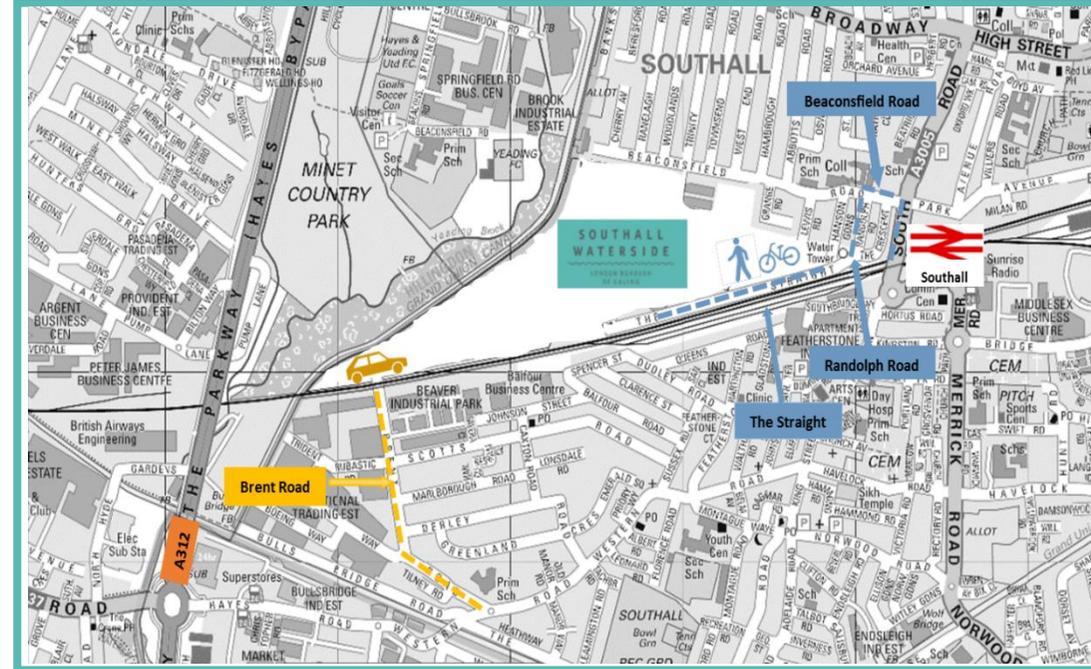

Arriving by rail directions: (Approximately 16mins walk from station to Academy)

- Disembark at Southall Station and use the crossing immediately outside to cross the road.
- After crossing the road, turn right.
- Continue following the road to the traffic lights.
- Turn left into Beaconsfield Road and after 150 yards take a left onto Randolph Road.
- Follow the road to the end and turn right, you should now be on The Straight.
- Proceed to follow the walking directions below.

Walking directions: (Approximately 8mins walk from security point to Academy)

- At the end of Randolph Road, on your right there will be a converted water tower building.
- Proceed along the footpath, with the water tower on your right.
- You will then arrive at black gates, where you will be greeted by our security team who will sign you into site.
- Continue following the white and green barriers to direct you to the Project Office / Berkeley Academy.
- Continue past the project offices (on your right) following the footpath to the Academy where the main entrance can be found on the North elevation.
