

# Keep Your Child Safe

Household cleaning and laundry products can be dangerous in children's hands

Take **action** today, **put** them **away**

Always close the lid securely on liquid laundry capsules and other household cleaning products

Store laundry and cleaning products out of reach, a secure cupboard is best

Never pierce or break laundry capsules

Always keep cleaning products in original containers

Remember nothing is childproof

**ROSPA**  
accidents don't  
have to happen
