

### The RoSPA Occupational Safety & Health Journal

- includes OS&H Bulletin

As RoSPA's flagship journal, *Occupational Safety & Health* is read mainly by health and safety practitioners/consultants and occupational health professionals working across industry and commerce, local government, healthcare and education.

Published monthly, in full colour, its pages contain the latest occupational safety and health news and comment, in-depth feature articles covering a wide spectrum of topical H&S and occupational health issues, book and website reviews, analysis of safety policy issues, and details of new health and safety-related products and services.

Readership research says that the journal is authoritative, accurate, trustworthy, topical and well written.
