Campaigns

Breathe Freely

BOHS launched Breathe Freely in April. This is aimed at reducing the incidence of occupational lung disease in construction workers. BOHS is working on collaboration with Mace, HSE, Land Securities and Constructing Better Health, with many other supporters involved. Visit

www.breathefreely.org.uk for more information

Asbestos Still Kills

This is another current campaign and raises awareness of the need for qualified professionals to minimise the risk. Visit <http://www.breathefreely.org.uk/asbestos-still-kills.html>

BOHS Strategy

BOHS is coming to the end of its current 5 year strategy and will launch a new 5 year strategy for 2016 – 2020, later this year.
