- Share contact details of good speakers for their group events

Report of activity that would be of interest to others - summary of IOSHs activity's (campaigns, conferences, parliamentary activity, consultations etc) in recent past and upcoming items to share or promote.

National Safety Symposium

13 – 14 September 2015

The Nottingham Belfry, Nottingham NG8 6PY

The 2015 conference will focus on health, safety and well-being, providing industry updates, best practice examples and expert advice. An ideal place to network, debate and develop new skills, NSS has something for everyone.

The National Food and Drinks Manufacturing Conference

06 – 07 October 2015

Chesford Grange Hotel, Kenilworth CV8 2LD

The national food and drink manufacturing conference explores fresh ways to address the most pressing health and safety issues that affect the industry.

It provides sector and legal updates and offers practical implementation sessions and take away tips. Industry experts demonstrate how effective leadership and team engagement skills can benefit a workplace and help to improve health and safety standards.

Rail Industry Conference

25 November 2015

The Congress Centre, London WC1B 3LS

Each year the conference offers a mix of industry experts to deliver useful, interactive and thought provoking sessions. It provides sector and legal updates as well as examples of best practice for you to take back to your workplace.

Networking Events

There are also a number of smaller networking events organised by our Branches, Groups and Districts that run throughout the year in various different locations.

A full list of these events can be found on the IOSH [website](#).
