

RoSPA Young Drivers at Work Workshop Evaluation Form

You have been given this questionnaire to complete because you have attended a Young Drivers at Work Workshop. Your responses will be used to evaluate the effectiveness of the workshops, and to inform the design and content of future workshops.

This questionnaire is to be completed in full **at the end of the workshop**. Some of the questions in this survey will ask you to rate your knowledge or skills both before and after attending the workshop. These questions should still be completed at the end of the workshop, but will require you to think about and state your level of understanding or skill **before** you attended today's workshop.

This questionnaire should take around 10 minutes to complete. Your responses are anonymous.

Thank you very much for your time and participation.
