

Inspiration Awards

The Inspiration Awards reward the achievements of individuals and teams.

- Distinguished Service Award
- Health and Safety Initiative of the Year
- Health and Safety Team of the Year
- Influencer of the Year
- Pride Award

Entrants will be required to

- Complete an [Achievement](#) or [Industry Sector](#), [Fleet Safety](#) or [Leisure Safety](#) Award submission
- Answer the Key Performance Questions associated with these categories
- Complete and submit a separate Inspiration Awards nomination form

How to nominate

For each Inspiration Award, nominations require a citation of up to 700 words (max), containing a description of why the individual, team, or project has been put forward for consideration, and what make them a source of pride worth shouting about.

In addition, five items of supporting evidence may be submitted to support the nomination.

How the entries are judged

- Nominees will be judged against how well they represent the person/team spec outlined for their chosen [Inspiration Award](#)
- The judging process will narrow down nominees to determine a single winner for each Inspiration Award

The judging process

- All Nominations will undergo an initial screening process, conducted by the RoSPA Awards administration team to ensure the team or individual represents the Inspiration Award type nominated for.
- All eligible nominations will next be reviewed by an internal team of RoSPA assessors within who will fully consider merits of nominations received for each Inspiration Award type.

- RoSPA nomination assessors reserve the right cross check the information and evidence presented by contacting either the nominator or nominee for additional details.
- Following this process, a shortlisting will be made for potential winners of each Inspiration Award, with overall winners selected by RoSPA's Awards judges.
- Category winners will be invited to receive their Award at one of RoSPA's regional Awards presentation events.
