

# CPC National Road Haulage Course

## Course objectives

This course aims to enable delegates to become professionally competent and gain an Operator's Licence (O-Licence).

On completion of this course delegates should have successfully completed all modules of the OCR examination:

- Module 1: Law, business and finance
- Module 2: Traffic regulations, safety loads, driver hours, etc.
- Module 4: Case study
- Module 6: International Haulage

## Who should attend?

Fleet managers, and owner-operators, wishing to gain an O-Licence.

## Benefits to client

This course will enable delegates to gain a formal qualification allowing them to work within the industry.
